Patina

Inspired by surface texture

Stonecast Patina is inspired by tones and surface texture created naturally over time, shaped on materials such as metal, stone, leather and wood. Patina is a modern interpretation of the antique sheen effect created by aging. The nature of the manufacturing process means that each piece will be slightly different, adding to the overall charm of the product. With a range of technical attributes, Stonecast Patina is designed to withstand the rigours of a back of house hospitality environment.

Patina beverage in Antique Taupe is new for spring 2020. The hand decorated colour features a reactive texture, enhancing the rustic charm and making each piece a unique creation.

 Stonecast Patina se inspira en los tonos y en las texturas que se crean naturalmente con el tiempo y que se forman en materiales orgánicos tales como el metal, la piedra, el cuero y la madera. Stonecast Patina es una interpretación moderna de un brillo envejecido que se forma con el tiempo. Lo nuevo se revela a través de lo antiguo. Con una gama de atributos técnicos, Stonecast Patina está diseñado para soportar los ambientes hosteleros más exigentes. La naturaleza del proceso de fabricación significa que cada pieza es diferente, añadiendo al encanto del producto. Las adiciones a la gama Patina incluyen formas oblongas y triangulares a través en los colores Burnished Green, Antique Taupe, Iron Black y Vintage Copper.

 Stonecast Patina ist inspiriert durch Töne und Oberflächenstrukturen, die auf natürliche Weise im Laufe der Zeit entstehen und von organischen Materialien wie Metall, Stein, Leder und Holz beeinflusst wird. Stonecast Patina ist eine moderne Interpretation des durch Alterung entstandenen antiken Scheineffekts. Das Neue wird durch das Alte zum Leben erweckt. Durch ein technisch aufwendiges Herstellungsverfahren erhält Stonecast Patina die besondere Robustheit, um die hohen Ansprüche gastronomischer Nutzung zu erfüllen. Der besondere Herstellungsprozess bewirkt, dass die Teile etwas voneinander abweichen, was den Charme dieser Serie ausmacht und hervorhebt. Zu den Neuheiten der Patina-Serie gehören Lang- und Dreiecksformen in den Ausführungen Burnished Green, Antique Taupe, Iron Black und Vintage Copper.

 Stonecast Patina trae la sua ispirazione dai toni e dalla trama che si ottiene sulle superfici nel tempo ma anche da materiali naturali come il metallo, la pietra, la pelle e il legno. Stonecast Patina è l'interpretazione moderna dell'antico effetto lucido dato dall'invecchiamento. Il nuovo viene rivelato attraverso il vecchio. Grazie a una serie di caratteristiche tecniche, Stonecast Patina è progettato per sopportare la ruvidezza delle cucine nel settore alberghiero. Le caratteristiche del processo di produzione fanno sì che ogni pezzo sia leggermente diverso dall'altro, rendendo ancora più interessante il prodotto. Le aggiunte alla gamma Patina includono forme oblunghe e triangolari nei colori Burnished Green, Antique Taupe, Iron Black e Vintage Copper.

 Stonecast Patina est inspirée par les tonalités et les textures organiques polies naturellement au fil du temps, tels que le métal, la pierre, le cuir et le bois. Stonecast Patina est une interprétation moderne de l'effet de brillance antique créé par le vieillissement. Avec ses caractéristiques techniques, Stonecast Patina est conçue pour résister à l'usage intensif en cuisine. Le processus de fabrication rend chaque pièce légèrement différente, parfois avec un peu de relief ce qui ajoute au charme d'ensemble du produit. La collection Patina est composée de formes oblongues et triangulaires déclinées en Burnished Green, Antique Taupe, Iron Black et Vintage Copper.

Innovation in Shape Design

NEW SHAPES

Amongst the coloured tabletop revolution there is still a place for fresh, contemporary whiteware. Chefs' Plates is a collection of innovative shapes designed to add value to white tableware.

Introducing contemporary walled plates in two new sizes. The design features a modern walled edge and a concentric embossment that is reminiscent of hand thrown pottery. Now available in four versatile sizes that are designed for the elevated food presentation of starters, mains, tasting plates and tapas.

Entre la revolución de los colores en los topes de mesa, todavía hay lugar para los blancos frescos y contemporáneos. Presentamos los modernos platos hondos del Chef en dos nuevos tamaños. El diseño presenta un borde elevado moderno y un relieve concéntrico que recuerda a la cerámica hecha a mano. Ahora disponible en cuatro versátiles tamaños, los platos hondos del Chef están diseñados para la presentación de entrantes de alta cocina, platos principales, platos de degustación y tapas.

Nell'ambito della rivoluzione della tavola colorata, c'è ancora spazio per fresche stoviglie bianche dal design contemporaneo. Vi presentiamo i moderni piatti Walled Chefs' in due nuove misure. Il design presenta un moderno bordo verticale e un rilievo concentrico che ricorda la ceramica lavorata a mano. Ora disponibili in quattro versatili misure, i piatti Walled Chefs' sono studiati per la elaborata presentazione di antipasti, portate principali, piatti per la degustazione e tapas.

Inmitten des revolutionären Trends des farbigen Geschirrs ist immer noch Raum für frische, zeitgemäße Weißware. Wir bieten Ihnen moderne „Walled Chefs' Plates“ in zwei neuen Größen an. Das Design zeichnet sich durch einen modernen hohen Rand und eine konzentrische Prägung aus, die an handgemachte Keramik erinnert. Jetzt in vier vielseitigen Größen erhältlich, sind die Walled Chefs' Plates für die gehobene Speisenpräsentation von Vorspeisen, Hauptgerichten und Tapas konzipiert.

Même si la tendance est à la couleur sur votre table, la vaisselle blanche reste incontournable et mettra en valeur votre table colorée. C'est pour cela que deux nouvelles tailles d'assiettes à bord droit sont maintenant disponibles avec une texture vaguelée. Les "Chefs Walled Plates" assiettes à bord droit sont maintenant disponibles en quatres tailles différentes, vous permettant de varier les présentations de vos entrées, plats principaux ou tapas.
