Mix & Match| Jersey is very strong and scratch resistant. A colourful and fresh product series that is not only perfectly suitable for serving small snacks but larger dishes also. The Jersey range's completeness enables a great number of possibilities, thus it can be implemented in a broad spectrum of hospitality concepts. From street food and shared dining to hotel restaurants and fine dining, Jersey shall always provide your concept a fresh and colourful complementation. Jersey is perfectly suitable for hospitality establishments with high tableware circulation where durability is paramount. All pieces in this range are manufactured in accordance with the English method and come with a glazed footing in order to avoid scratching. Due to this porcelain's high quality, we provide a 5 year edge chip warranty on selected items.

SUPER BONE FINE CHINA

Stjames' lightweight dinnerware is made from Vitrified Fine China porcelain with the extra addition of Natural Bone Ash. By using this Natural Bone Ash, thinner and more refined plates can be produced without losing strength. Stjames solely utilises the best European raw materials, whereas Natural Bone Ash is still imported from the U.K.

ECO-FRIENDLY, WE CARE

During the production process, Stjames maintains a strong focus on environmental criteria and health guidelines:

- Stjames is produced from 100% natural raw materials without any chemical additives;
- Stjames' glaze is lead and cadmium free;
- Stjames utilises natural gas in the course of the production;
- Stjames' production processes are based on recycling management.

STRONG AND VERY LIGHT IN WEIGHT. THE
 FINESSE OF THIS LUXURIOUS DINNERWARE
 ENSURES A PREMIUM DINING EXPERIENCE.
