Bien choisir son nappage en 4 étapes

Je lave en machine à laver avec repassage

2 Les bonnes mesures The right measures

• Pour les nappes • For tablecloths

J'ajoute 25 cm de retombées pour les 4 côtés

I add 25 cm of fallout from each side

exemple : un plateau de 80 x 80 cm = 1 nappe • 1 tablecloth 130 x 130 cm

• Pour les sur-nappes • For over-tablecloths

J'ajoute 15 cm de retombées pour les 4 côtés

I add 25 cm of fallout from each side

exemple : un plateau de 80 x 80 cm = 1 sur-nappe • 1 over-tablecloth 110 x 110 cm

• Pour les chemins de table de 43 cm de large • For runners of 43 cm width

J'ajoute 20 cm de retombées pour les 2 côtés

I add 20 cm of fallout from each side

exemple : un plateau • Table top de 70 x 70 cm = 1 chemin • 1 runner 43 x 110 cm

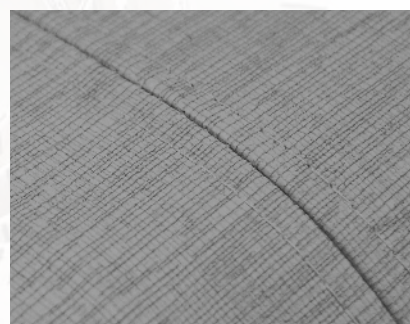

• Pour les nappes supérieures à 150 cm de larg • For tablecloths larger than 150 cm width

Afin d'éviter les coutures centrales pour les nappes supérieures à 150 cm de large : choisir les tissus grandes largeurs.

To avoid central seams for tablecloths larger than 150 cm width, choose wide with fabrics.
