ORGANIZE YOUR BATHROOM

Für alle, die es stilvoll und nachhaltig lieben. Die edlen Basics und charmanten Designobjekte im sanften Naturlook schaffen eine beruhigende Atmosphäre im Badezimmer und machen es zur wohltuenden Entspannungsoase. Dazu wird die Umwelt geschont, denn die Kollektion besteht aus Recyclingmaterial. Dieses Material stammt aus dem Post-Industrial-Recycling und bezeichnet Ausschuss, der bei der Verarbeitung von neuen Kunststoffen anfällt. Auf diese Weise bekommen diese wertvollen Rohstoffe eine zweite Chance und sparen dazu bis zu zwei Drittel CO² im Vergleich zu neuen Materialien.

For all those who love it stylish and sustainable. The functional basics and charming design objects in a soft natural look create a soothing atmosphere in the bathroom, making it a truly relaxing oasis. In addition, the environment is protected, because the collection is made of recycled material. This material comes from post-industrial recycling and refers to waste that is produced during the processing of new plastics. This excess and pure material is carefully reprocessed and thus fed into new production processes. In this way, these valuable raw materials are given a second chance, saving up to two-thirds CO² compared to new materials.
