LUXURY SUPERGLAS UNBREAKABLE

by koziol

Diese Gläser sind Luxus pur! Die eleganten Formen und die expressive Facettenstruktur begeistern auf den ersten Blick. koziol Superglas sieht aus wie Glas, ist aber aus einem speziellen Hightech-Kunststoff, der im normalen Gebrauch nahezu unzerstörbar und wenig kratzempfindlich ist. Das Design ist einzigartig und setzt Getränke hinreißend in Szene. Dank der universellen Formen sind die Gläser nicht auf ein bestimmtes Getränk festgelegt, sondern extrem vielseitig einsetzbar. Das Material verleiht den Gläsern eine besonders angenehme, handschmeichlerische Haptik.

These glasses are pure luxury! The high quality, elegant shapes and expressive faceted structure inspire at first glance. koziol Superglas looks like glass, but is made of a special high-tech plastic that is virtually indestructible in normal use and less susceptible to scratches. Its unbreakability makes it an absolute must-have for all outdoor activities. Thanks to the universal design, the glasses are extremely versatile for both hot drinks and cold; soft drinks and cocktails; smoothies and spirits. The material gives the glasses a smooth surface that feels great to the touch.
