## Buffet

PVC aislante para una mejor sujeción.

PVC insulator for a better clamping.

Estas pinzas monobloc fabricadas en acero inoxidable son funcionales tanto en buffet como en cocina. Su mango de PVC en distintos colores permite controlar la contaminación cruzada de los alimentos.

These monobloc tongs in stainless steel are just as functional for service at a buffet as in the kitchen. Their distinctively coloured PVC handles makes it easy to control cross-contamination between different foods.
