Strahl

The elegance and feel of glass, but virtually unbreakable. The beverageware of choice for some of the world's most prestigious hotels and resorts.

Beautifully elegant

All Strahl products are made of a high quality polycarbonate, a remarkable material that creates the clarity and elegance of glass. What's more, every product is hand finished to remove manufacturing join lines. The result? Beverageware that's beautiful to look at, and equally beautiful to drink from.

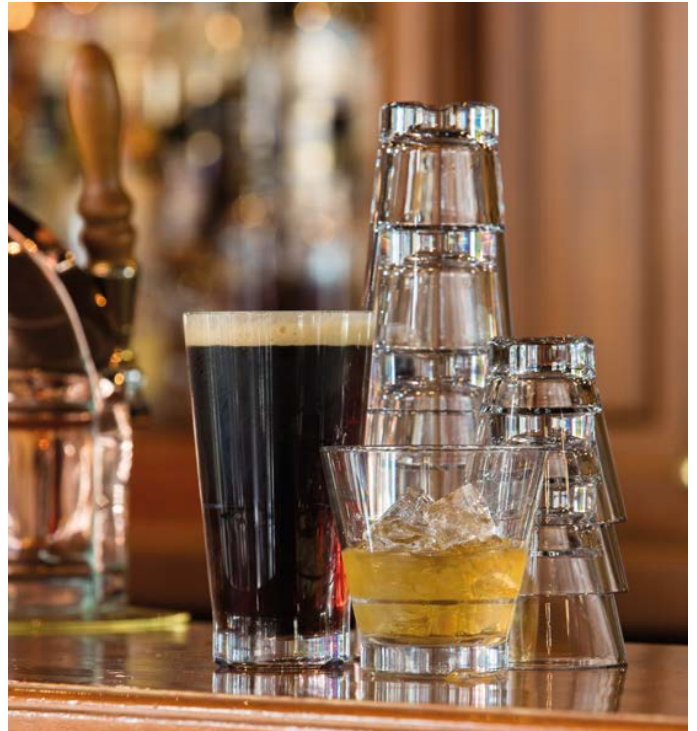

Exquisitely versatile

With Strahl, it's possible to entertain in style, anywhere. Our exquisite products are designed to be chilled in either the refrigerator or freezer, while superior insulation properties keep beverages at optimal drinking temperature for longer.

Incredibly strong

Unlike glass, Strahl beverageware doesn't shatter so it's an extremely safe and long-lasting alternative. Not only is it stronger, no Strahl product is complete until it has undergone a unique finishing process to extend its lifespan and durability.

Stacking tumblers

Serving delightful cocktails from indoors to outdoors is easy with CapellaStack from Strahl. These virtually unbreakable tumblers are made of high quality polycarbonate and are conveniently designed for stacking. From storage to clean up, beverage service is more practical and cost efficient for operators with the ability to stack and the reduced risk of scratching & breakage.
